Developing an online mobile store and blog for IT-Huset

INTERESTS

part from being a web developer, I enjoy most of my time being outdoors. I walk a lot specially when I need to think about something. During the warmer months here in Ahwaz, I enjoy listening to music.

When forced indoors, I follow a number of sci-fi and fantasy genre movies and television shows, I spend a large amount of my free time exploring the latest technology advancements in the Front-end and Back-end web development world.

LANGUAGE SKILLS

English (Professional), Farsi (Native), Arabic (Native)
